**PLAYING FIELDS & OPEN SPACES**

It was noted that an offer to help deal with any future fly tipping in the village had kindly been given to the parish council.

**ADOPTION OF DAVIDSONS OPEN SPACES**

The Chairman read aloud an email received from NSDC regarding the proposed adoption. The length of time agreed by Davidsons for the s106 monies to be spent on the open spaces had been significantly reduced to seven years; it was agreed that this was an inadequate time scale and future costs would put a financial burden on the parish council. It was proposed and resolved unanimously to **decline** adopting the open spaces on the Davidsons development off Kirklington Road.

**TRANSPORT, HIGHWAYS, FOOTWAYS & LIGHTING**

Lighting column No3 on jitty connecting Sherwood Road/Rufford Avenue not working. The Clerk will report to NCC. Concerns were raised regarding the length of time it was taking to fill all the pot holes throughout the village. It was suggested that a detailed list could be made of all pot holes.
